Field	Type	Length	Required	Information
customerId	numeric		Y	Unique Customer ID
firstName	alpha	30	Y	Customer First Name
lastName	alpha	30	Y	Customer Last Name
address	alpha	50	Y	Customer Address
city	alpha	23	Y	Customer City
state	alpha	2	Y	Customer State
zipcode	alpha	5	Y	Customer's Zip Code
email	alpha	60	N	Customer Email Address

Field	Type	Length	Required	Information
surveyId	numeric		Y	Unique Survey ID
customerId	numeric		Y	Customer ID retrieved from Customer Info
surveyDate	date		Y	Date Survey Taken
surveyQuestion1	numeric		Y	Unique Question from Questionnaire 1
answer1	alpha	50	N	Respondant answer 1
surveyQuestion2	numeric		Y	Unique Question from Questionnaire 2
answer2	alpha	50	N	Respondant answer 2
surveyQuestion3	numeric		Y	Unique Question from Questionnaire 3
answer3	alpha	50	N	Respondant answer 3
isInterested	bool		Y	is respondant Is interested in hearing more about Code Black?

Field	Type	Length	Required
questionID	numeric		Y
questionText	alpha	50	Y
isActive	bool		Y
questionAddedDate	date		Y
addedBy	int		Y
questionDeletedDate	date		N
deletedBy	int		N

Information
Unique Question ID
Question text that respondant will see on the screen
Question is an active to be asked
Date Question added to database
user id who added the question
Date Question marked inactive
user id who deleted the question

Field	Type	Length	Required	Information
questionID	numeric		Y	Unique Question ID
questionText	alpha	50	Y	Question text that respondant will see on the screen
isActive	bool		Y	Question is an active to be asked
questionAddedDate	date		Y	Date Question added to database
addedBy	int		Y	user id who added the question
questionDeletedDate	date		N	Date Question marked inactive
deletedBy	int		N	user id who deleted the question

Field	Type	Length	Required	Information
questionID	numeric		Y	Unique Question ID
questionText	alpha	50	Y	Question text that respondant will see on the screen
isActive	bool		Y	Question is an active to be asked
questionAddedDate	date		Y	Date Question added to database
addedBy	int		Y	user id who added the question
questionDeletedDate	date		N	Date Question marked inactive
deletedBy	int		N	user id who deleted the question
